

# TAP CAN IMPROVE!

• SPEND LESS ENERGY HAULING THOSE BOXES of BOTTLED WATER & SPEND MORE ENERGY STAYING ON TOP of LOCAL WATER ISSUES.

Get More ~!

# WHICH IS HEALTHIER?

☹️ COCA COLA'S DASANI & PEPSI'S AQUALINA H<sub>2</sub>O COME FROM MUNICIPAL TAP WATER.

☹️ FDA REGULATIONS AREN'T STRICTER FOR BOTTLED WATER... IN FACT, IT'S LOWER.

↳ FDA REGULATIONS ONLY APPLY IF WATER IS TRANSPORTED OUTSIDE OF STATE LINES. SO MOST CO. BOTTLE & SELL WIN THE SAME STATE

• 60 MILLION PLASTIC BOTTLES GO TO U.S. LANDFILLS EACH DAY!!!

• 1.5 MILLION TONS of PLASTIC PRODUCED EACH YR. OVER 80% OF BOTTLES ARE NOT RECYCLED.

• MILLIONS of GALLONS of FUEL WASTED TRANSPORTING & FILTERED H<sub>2</sub>O.

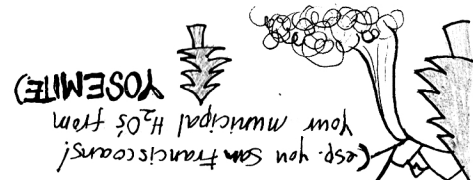

**WAYS TO MAKE YOUR TAP BETTER**

- FAMILIES**  
1. HOME FILTRATION SYSTEM  
PUREST & CHEAPEST! < 1¢ per gallon
- STUDENTS/TREATMENT MOVES**  
2. WATER FILTERS LIKE BRITA  
YES, THE PLASTIC USED FOR THE PITCHERS & FILTERS ARE 100% SAFE
- BROKER**  
3. LET YOUR WATER SIT FOR AT LEAST 20 MIN. BEFORE DRINKING. THIS WILL GIVE TIME FOR THE CHLORINE TO DISSIPATE.
- ON-THE-GO**  
4. CARRY A GLASS BOTTLE  
TASTES BETTER THAN THOSE TRENDY TIN ONES & WORRY SAFER THAN PLASTIC
- DINING OUT**  
5. ASK FOR A WEDGE OF LEMON & ICE IN YOUR TAP!

BOTTLES DON'T SPECIFY EXACT H<sub>2</sub>O SOURCE OR THE TREATMENT OR THE CONTAMINANTS/CHEMICALS THAT ARE FLOATING INSIDE.

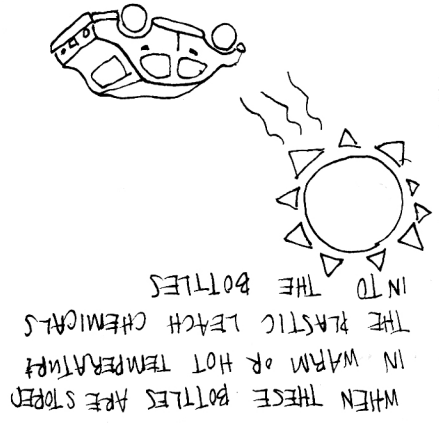

▷ **FILL WATER** PRODUCES MORE THAN 1 MILLION BOTTLES PER DAY WHILE > HALF THE PEOPLE IN FLORIDA DON'T HAVE ACCESS TO RELIABLE DRINKING WATER.

▷ OUR TAP H<sub>2</sub>O QUALITY IS ONE of the BEST in the world, yet WE'RE THE #1 CONSUMERS of BOTTLED H<sub>2</sub>O

**AMERICANS ARE LUCKY!**

▷ DON'T DRINK WATER THAT'S BEEN INSIDE A HOT CAR OR GARAGE, OR NEAR GAS FUMES!!

**PLASTIC ISSUE**
